of the MONTANA POWER COMPANY for       )  
Authority to Incur Not to Exceed       )UTILITY DIVISION  
\$150,000,000 Principal Amount of       )DOCKET NO. 92.11.68  
Long-Term Debt in the Form of        )DEFAULT ORDER NO. 5669  
Medium-Term Notes.                       )

1. On November 17, 1992, The Montana Power Company (the "Applicant"), a corporation organized and existing under the laws of the state of Montana, filed with the Montana Public Service Commission ("Commission") its application ("application") pursuant to Montana Code Annotated ("MCA") sections 69-3-501 through 69-3-507, amended November 25, 1992, seeking an order authorizing the Applicant to incur not to exceed \$150,000,000 principal amount of long-term debt through the issuance and sale of Medium-Term Notes ("MTNs"). The application was amended on November 25, 1992.

2. The application is supported by exhibits and data in accordance with Commission practice and rules and regulations governing the issuance and sale of securities by public utilities operating within the state of Montana.

3. The application states that the Applicant is a public utility as defined in MCA section 69-3-101, in that it furnishes electric and natural gas service in the state of Montana; that the Applicant's principal executive office is at 40 East Broadway, Butte, Montana; and that the Applicant is duly qualified to do business in the states of Montana, Wyoming and Idaho. For detailed information with respect to the general character of the Applicant's business and the territory served by it, reference is made to the application.

FINDINGS

1. The Applicant is a corporation organized and existing under and by virtue of the laws of the state of Montana and is qualified to transact business in the state of Montana.

- 2.The Applicant is a public utility as defined in MCA section 69-3-101 and is engaged in furnishing electric and natural gas service in the state of Montana.
- 3.The Commission has jurisdiction over the subject matter of the application under MCA section 69-3-501.
- 4.The application states that the Applicant intends to incur not to exceed \$150,000,000 principal amount of long-term debt in the form of MTNs. The MTNs (i) will be secured with First Mortgage Bonds, (ii) will be for terms of not less than nine months nor more than forty years, (iii) will have such redemption provisions as shall be determined at the times of sale, and (iv) will bear interest payable at such times and in such values as shall be determined at the times of sale, all based on then existing market conditions.
- 5.The application states that the MTNs will be sold from time to time, depending upon the Applicant's financial needs and market conditions. It further states that the proceeds from the sale of the MTNs will be used by the Applicant to refinance previously issued MTNs, to fund its construction program, to refinance short-term debt and higher-cost long-term debt, and for other corporate purposes allowed under MCA section 69-3-501.
- 6.The Applicant has undertaken to inform the Commission, after each MTN sale, as to the principal amount sold, the maturities, the interest rates, the redemption provisions and any other information with respect to the MTNs that the Commission may request.
- 7.Public notice of this application was given by its inclusion on the Commission's agenda for November 23, 1992.
- 8.The Applicant has furnished complete financial data with its application in accordance with developed practice of the Commission. The application sets forth a copy of the proposed corporate resolutions pertaining hereto, and the Applicant will file a certified copy of the resolutions after their adoption on November 24, 1992.

#### CONCLUSION OF LAW

The securities transactions proposed by the application, as hereinafter authorized, will be for a lawful purpose and are consistent with the public interest; are necessary or appropriate

for and consistent with the proper performance by the Applicant of service as a public utility; and the aggregate amount of the securities outstanding, and proposed to be outstanding, will not exceed the fair value of the properties and business of the Applicant.

ORDER

1.The application of The Montana Power Company for authority to issue and sell, in one or more offerings, fixed-rate debt in the form of MTNs, in the aggregate principal amount of not more than \$150,000,000, is approved. This authorization is for a period of three years ending December 31, 1995.

2.In accordance with MCA section 69-3-507, neither the issuance of securities by the Applicant pursuant to the provisions of this Order, nor any other act or deed done or performed in connection therewith, shall be construed to obligate the state of Montana to pay or guarantee, in any manner whatsoever, any security authorized, issued, assumed, or guaranteed under the provisions of MCA sections 69-3-501 through 69-3-507.

3.Issuance of this Order does not mean acceptance of the Applicant's exhibits or other material accompanying the application for any purpose other than the issuance of this Order.

DONE IN OPEN SESSION at Helena, Montana this 30th day of November, 1992, by a 5 to 0 vote.
